# ASPIRING LEADERS

SHAPING  
A BETTER  
WORLD  
SINCE 1845

Develop a strong leadership foundation and cultivate impactful leadership skills with the Queen's University Aspiring Leaders programme.

The Aspiring Leaders programme is a professional leadership programme designed by our experts for leaders who are setting off, or in the early days of their personal leadership journey.

## TRANSITION FROM INDIVIDUAL CONTRIBUTOR TO LEADER

The move from being an individual contributor to being responsible for others is a difficult transition. Particular challenges common at this level of leadership include building relationships to get work done, effectively managing conflict and solving complex problems successfully.

The Aspiring Leaders programme supports the transition to becoming a highly effective and inspiring leader. The course develops talented first time managers and new leaders and equips them with a solid leadership framework. We shall build a leadership toolkit with real world practical skills and capabilities to confidently manage their team for high performance.

## CULTIVATING IMPACTFUL LEADERS

Aspiring leaders is a highly interactive online programme that will set you up with proven leadership skills to apply in your corporate and personal environment.

Prepare to be challenged with our immersive curriculum and engaging Harvard case studies on adaptive leadership.

Participants will focus on; their personal values, ethical leadership, personal leadership brand, building and maintaining relationships, resolving conflict, learning to delegate, innovative problem solving, navigating change and coaching developing others.
