SENIOR EXECUTIVE PROGRAMME

SHAPING
A BETTER
WORLD
SINCE 1845

Strengthen your Leadership Skills and Build a Strategic Perspective with the Queen's University Senior Executive Programme.

The **Senior Executive Programme** is designed for experienced senior level managers with progress potential, who are ready to step up and lead at the next level.

SHAPING YOU AS A STRONG LEADER

Today's experienced leader is leading in a volatile new world, navigating complex internal and external challenges. Successful senior leadership requires a clear strategic focus, a holistic viewpoint and the ability to achieve buy in from the organisation and its employees to drive results and maximise opportunities.

The Senior Executive programme is a dynamic and challenging online programme designed to shape your leadership practice. The course will equip you with skills, insights, tactics and expertise to lead your organisation with confidence. Build your leadership network and share experiences with fellow senior leaders on this high level, accelerator programme.

REDEFINING LEADERSHIP

Our research-based curriculum will examine Leading Self, Others and the Organisation. We discover how the new world of work is reshaping what it takes to be a leader. We shall utilise personality assessment to help provide the foundation for a deeper understanding of your leadership style, personal motivations and group interactions. Learn how to leverage your own leadership strengths to elevate your leadership effectiveness.

DRIVING ORGANISATIONAL PERFORMANCE

Develop skills and strategies to lead your organisation with confidence through disruption. Discover how to shape a high engagement culture that supports your organisational strategic goals, driving high performance. Learn to lead teams and the organisation effectively and future proof your organisation's competitive edge. Invest in your ambition and empower your progression with the William J. Clinton Leadership Institute Senior Executive programme.

THE WILLIAM J CLINTON LEADERSHIP INSTITUTE

Faculty

Enda Young

Enda is a highly experienced trainer and experiential learning facilitator, delivering programmes internationally for the Leadership Institute. Enda helps companies to build and optimise their leadership capabilities, driving organisational performance through their people. Enda is a negotiation and conflict resolution specialist and is particularly interested in improving resilience and communication skills to empower leaders through challenging times. Enda is a qualified executive coach and energises participants with his high energy, motivational, real world approach.

Dr. Louise O'Meara

Dr. Louise O'Meara. Louise brings 25 years experience in supporting leaders and managers to focus and optimize the creativity, energy and spirit of others to achieve success at the 'double bottom line', achieving outstanding results. Louise is a qualified coach with a highly engaging facilitation style delivery. Louise focuses on practical, outcomes focused interactions designed to help people build alignment and take concerted action when back in the workplace.

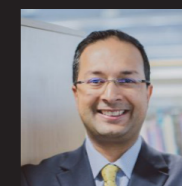

Dr Ulf Bosch

The Leading Through Disruption module is delivered by our accomplished faculty Dr Ulf Bosch. Ulf is a highly experienced business consultant, author and TEDx keynote speaker and is Professor of Practice at Queen's Management School. Ulf has extensive international business experience managing projects and departments transforming the organization and IT landscapes in various consultancy roles. Ulf is an award winning distance runner for his native Dusseldorf and motivates participants with his dynamic, professional, real world approach.

Jean Vanhoegaerden

Professor Vanhoegaerden facilitates the leadership development module 'Shaping Culture. Jean is a dynamic facilitator and an accomplished Professor of Leadership Practice, specialising in topics such as organisational change, managing teams for the modern, interconnected world and leadership. Jean's early career was spent in human resources and as research assistant with the Centre for Organisational and Personnel Psychology in Belgium. Jean has taught and designed executive courses internationally, and he speaks regularly at global conferences on these topics and has a special interest in connecting with real leaders and managers on the ground.

Professor Tazeeb Rajwani

Strategy expert, author and keynote speaker Professor Rajwani leads the Strategy for Digital Disruption module. International business specialist Tazeeb, is the Chair and Head of International Business and Strategy at the University of Surrey. Tazeeb is a senior advisor to the UK Government's Accelerator "Sirius" Programme for leading start-ups. He is an Associate at Servator International, a leading security management firm and Oscail Strategy Group, an international strategy consulting firm. He has a wealth of experience in strategic consulting, project finance, corporate finance and international management.

Dr. Laura Steele

Queen's Management School Senior Lecturer and specialist in ethics Dr. Laura Steele joins us for the Ethical Leadership Module on Day 2. Laura lectures in Business and Society at Queen's Management School and contributes on many of our custom programmes and events at the Leadership Institute. Laura has a particular interest in business ethics, governance, social responsibility, and public sector management. In addition, Laura serves as the champion for Ethics, Responsibility and Sustainability within the School. Laura galvanises academic research, best practice and a forward thinking approach to the topic of ethical leadership.
