EMERGING LEADERS

SHAPING
A BETTER
WORLD
SINCE 1845

Transport your leadership to the next level with the Queen's University Emerging Leaders programme.

Emerging Leaders is a transformative professional leadership programme developed by leading academics from Queen's Management School and the experienced programme directors from the William J. Clinton Leadership Institute.

ELEVATE YOUR LEADERSHIP SKILLS

Our highly immersive programme will transport your leadership skills to the next level in your personal leadership journey. The Emerging Leaders programme develops leaders who are currently managing and leading others and would like to refine and recharge their leadership approach to maximise influence and impact.

INVESTING IN YOU AS A LEADER

Join Emerging Leaders and empower your impact as a leader. We focus on exploring and promoting greater self-awareness, building adaptive resilience to navigate and embrace change. Explore a coaching leadership approach and learn to motivate individuals and teams for high performance.

Take away a robust leadership framework with practical skills to drive results. Future proof your leadership and invest in your competitive edge with the Emerging Leaders programme.

THE WILLIAM J CLINTON LEADERSHIP INSTITUTE

Faculty

Louise O'Meara

Our Emerging Leaders Programme is delivered by our experienced programme director Dr. Louise O'Meara. Louise brings 25 years experience

in supporting leaders and managers to focus and optimize the creativity, energy and spirit of others to achieve success at the 'double bottom line', achieving outstanding results. Louise is a qualified coach with a highly engaging facilitation style delivery. Louise focuses on practical, outcomes focused interactions designed to help people build alignment and take concerted action when back in the workplace.

Peter Ivanov

International accomplished team coach, author and keynote speaker Peter Ivanov joins us for the Developing Your Team and Effective Communication

in Challenging Times modules. Peter has 20 years experience as a senior manager motivating and leading virtual teams. Peter has managed large projects and departments transforming the organization and IT landscapes in various diverse management roles. Returning to sport late in life Peter is an award winning athlete and a champion javelin and discus thrower for his native Bulgaria. Peter is passionate about helping managers and leaders harness the power in virtual teams and bring out the best in their people.

Dr. Chris Dalton

Chris is Associate Professor of Management Learning at Henley Business School and teaches on the Queen's University MBA. Chris leads the 'Emotional

Resilience – Balancing Well-being and Leadership' module on this programme. A dynamic and creative tutor, author, systemic constellations facilitator and coach Chris has over 25 years of international experience in management education and training. He runs corporate workshops and seminars related to management development and coaching in many parts of the world. Chris is an accomplished author of two business books, with a third planned for late 2021.
